If the election was held today, and you had to make a choice, would you vote for the Republican or Democratic candidate for U.S. Congress?

Childhood Vaccine Opinion

Childhood vaccines provide significant benefits and are essential for protecting individual children and the broader community

72.4%

Although vaccines may offer some benefits, I'm concerned that the potential risks and side effects may outweigh their necessity for most healthy children

22.2%

Unsure

5.4%
